## Return Conditions

1. Order **#87K41IJAF** is returnable until 30 days of delivery date.
2. The return items should reach us within 30 days of delivery date.
3. Refunds will not be made if the returned part has been installed or modified in any way.
4. A core return must be completed within 90 days of the original part delivery in original, unmarked manufacturer's packaging. Shipping charges or any other expenses associated with returning the core to us will not be refunded by PartsAvatar.
5. Please get shipping insurance to protect from any damages to the product during return shipment.
6. If the product is found to be either damaged or has any fitment issues at the time of delivery, please contact our support team (/contact-us-for-car-parts) for a return shipping label.

7. The refunds are normally made within 10 days of receiving the returned order to the original mode of payment with which the payment has been made.
8. A kit must be returned in its entirety. Returning partial components of a kit is not entitled to any refund.
